

Diminished 8 Note Scale · Pebber Brown 14 Position System

The image displays 14 guitar fretboard diagrams, labeled POS 1 through POS 14, plus POS 1 (8va). Each diagram shows a 6-string fretboard with a specific fingering for a diminished 8-note scale. The diagrams are arranged in three rows: the first row contains POS 1-5, the second row contains POS 6-10, and the third row contains POS 11-14. Each diagram includes a 'fret' label at the top and a '4' in a box at the bottom, indicating the fret number and the fourth finger used for the final note. The notes are represented by black dots on the strings. POS 1 (8va) is shown with grey dots, indicating it is an octave higher than the others.
